It is with the greatest pleasure that Ronald E. Foster, CEO and owner of Foster Premier, Inc. announces the promotion of Jamie Catherine Falconer to President and Danette Smusz to Executive Vice-President of Foster Premier!

Jamie Falconer has been with Foster Premier for the last 19 years. She began her career as the onsite manager of a condominium property on Michigan Avenue. Additionally, she worked as a portfolio manager in Chicago. She became the manager of the City Properties and for the last 10 years has been a Vice President of the company at the North Office of Foster Premier. Jamie holds an MBA degree and CMCA, AMS, and PCAM certifications from the Community Association Institute (CAI).

Danette Smusz has been with Foster Premier for the last 21 years. She began her career with Foster Premier as a portfolio manager in the western suburbs. For the past 10 years she has been a Vice President of the company at the South Office of Foster Premier. Danette will continue to be based in Foster Premier's South Office. Danette has both CMCA and AMS certifications from CAI.

Both Jamie and Danette have extensive experience working with Condominiums, Townhome, Homeowner Associations, and Active Adult Associations. Both have excellent working relationships with leaders in the vendors and service industries serving Associations. Continued growth and leadership within Property Management are expected under their leadership.

Ron Foster noted in his announcement at the Spring company meeting that Jamie and Danette would be accepting more leadership roles as he will be spending less time involved with the hands-on management of the Foster Premier. While Ron will be spending more time traveling, he will continue to be involved and a crucial part of the management team.
